

Englishman Atop Pole For Try at World Record

Motorists swinging along Sepulveda Boulevard, in Manhattan Beach, have noted a sudden new high in the beach city's sky. And an odd one, at that.

It's a flagpole towering 65 feet over Manhattan Motors' ear lot in the 2300 block.

Which, by itself, is not odd. The oddity being that, atop the pole, is perched a five-foot-square platform which will serve as "home" for some months to come for an occupant who has been waggishly dubbed "The Mad Englishman"—monocle, bowler hat, umbrella, and all.

In an interview before going aloft, he announced his intention to set a new world's record for pole sitting, and fully hoped to celebrate the New Year, and longer, happily encoined in his flagstaff dwelling.

Asked what he would do to pass the time, he said: "I have my own telephone on the platform, and people can call me any time they wish, day or night. I'll discuss any subject they choose — from the weather to the situation in the Congo. I like to talk. My private number is FR 2-5114."

CHEERIO OLD CHAP . . . Sam Bolding (center), general manager of Manhattan Motors, and Kenny Fisher, president of the firm, bid the Mad Englishman good luck before he is hoisted to the top of a 65 foot pole to have a try at the world's record. He will be perched on a 5 by 5 foot platform in his attempt to better record. He says he will stay on the pole until the new year begins.

Recreation Dept. Will Order Break at Pool

A mid-afternoon "break" has been ordered on hot days at Benstead Plunge, according to the Torrance Recreation Department.

Recreation Director Harry Van Bellehem said swimmers

will be ordered from the pool on torrid days so that they don't become exhausted.

The "break" will not entail any additional charge for re-entry of the plunge.

Hi-Shear Plans Name Change

Effective Aug. 1, the Hi-Shear Rivet Tool Company will change its name to the Hi-Shear Corp. The name change was announced today by George S. Wing, president of the local plant.

Reason for the change, said Wing, is to better portray the expanding line of Hi-Shears proprietary products and diversified industrial interests, as well as projected marketing plans for the future.

There will be no change in management of the company, and no other administrative changes are planned.

Bible School Classes Set

"Signaling for Christ" is the theme for this year's Vacation Bible School at the Harbor City Foursquare Church. The school will run from Aug. 1 to Aug. 12 with classes between 9 a.m. and noon.

The school will be conducted at the Harbor City Christian School, 824 W. 255th St., near Vermont. Free transportation is available by calling DA 6-3018.

Classes are being provided for boys and girls between the ages of three and 16.

Miss May Belle Snyder, vice principal of the Harbor City Christian School, and the Rev.

John Alter Attends UCSB Summer Session

John Edward Alter, son of Mr. and Mrs. Gerald Alter, 1742 Watson, is a student this summer at the University of California at Santa Barbara and is housed on campus in Santa Cruz Hall, a brand new ocean-side residence hall.

John, who is a participant in the UCSB summer session for high school students, is among 266 students living on the Santa Barbara seashore campus during the summer session. The total summer enrollment at Santa Barbara this year numbers about 1000.

Marion Plies, pastor of the church, will be in charge of the school.

Resurfacing Set For Alameda St.

Resurfacing of Alameda Street between Sepulveda Blvd. and Lomita Blvd. is scheduled to begin immediately, it was announced yesterday by Supervisor Burton W. Chace.

The work will consist of sealing the sub-grade of the existing roadway to reduce present maintenance costs and improve the riding quality of the street.

Chace pointed out that this segment of Alameda Street is a Major County Highway and carries a great amount of heavy industrial traffic. He urged motorists to use caution when driving on this traffic artery during the construction period.

NOTICE OF AWARD OF CONTRACT

Assessment District No. A-11-59-1 (Spencer-Toluca Sewer District)

NOTICE IS HEREBY GIVEN that on the 20th day of July, 1960, the City Engineer of the City of Torrance, California, did, in open session, publicly open, examine and declare all bids for proposals presented for the doing of that certain work described in resolution of intention, Resolution No. 3862, and ordered by Resolution No. 3986, and the City Engineer did report the results of the bidding to the City Council.

The work and proceedings are under and pursuant to the Improvement Act of 1911, Division 7 of the Streets and Highways Code. For a further and more complete description of said work, for a description of the district which said City Council has declared to be the district benefited by said work and to be assessed to pay the cost and expense thereof, for a description of the serial bonds to be issued to represent unpaid assessments, and for further particulars, reference is hereby made to said resolution of intention.

For a full and complete description of said work and the grades at which said work shall be done, reference is hereby made to said resolution of intention and to the following documents on file in the office of the City Clerk of said city in the City Hall in said city: Specifications designated: A-11-59-1 and plans including profiles and detailed drawings designated: plus S-P-1-11.

NOTICE IS FURTHER GIVEN that on the 26th day of July, 1960, said City Council, by Resolution No. 4011, determined to award to LEONARD M. STOEGER, an individual doing business as S & S CONSTRUCTION, whose address is 1401 5th Street, Manhattan Beach, California, to be the lowest regular bid of any responsible bidder for said work and awarded the contract for said work to the above named bidder at the price named in the bid of said bidder. Said bid is on file in the office of said City Clerk.

DATED: July 28, 1960

A. H. BARTLETT
City Clerk of the City of Torrance, California.
